Attached are the proposed labels that we received from the registrant, yesterday.

Ex. 5 Deliberative Process (DP)

I've attached both the last approved label for 87895-4 and the proposed supplemental label.

Also, attached is the label for the new product that will be solely labeled for the oranges and grapefruit in Florida.

As mentioned in the meeting this morning, the team has only done a cursory review of the labels and have noticed that

Thank you!
